MUSTANG II
COBRA II

PINTO CRUISING WAGON

WHEN IT COMES TO FUN MACHINES, FORD'S GOT THE WHEELS.

What you see here is just a sampling of the many ways you can light up the road in a Ford. New lower sticker prices on all Mustang II's. And more standard features at a new low price on Pinto. There is the frisky little Fiesta Sport—imported from Germany.

You say you're into truckin'? So is Ford. With two ways to dramatize our vans. And a Free Wheeling version of just about every pickup we make—from our famous "Shorty" to Stylesides, 4x4's, and compact Couriers. There's even a Free Wheeling choice for our all-new Bronco, the total 4-wheeler.

So if you're after a customized car or truck, the first place to start is at your Ford Dealer. He has so many young ideas for you to try out. And he's just as enthusiastic about them as we are.

FORD

When America needs a better idea, Ford puts it on wheels.
